

DATA PROTECTION PERMISSIONS

IMPORTANT INFORMATION

Please read and respond accordingly

You may recall that a few years ago we contacted you asking for your permission to allow us to send certain types of information to you. At the time we received a response from around 50% of the membership. We would ask those who did not respond, to consider doing so now. Please also respond if you are unsure if you did complete the form or if you wish to update your preferences.

Under the terms of the May 2018 Data Protection Act, **we require your express permission** if you are willing to receive communications from the Society relating **specifically to Marketing and Fundraising** matters (this also includes details of the OSB 'Shop' items for sale and School/Trust Information). This does not affect your automatically receiving non-marketing information from time to time

If you have not done so already, **PLEASE COMPLETE THE FORM BELOW and return it** to the Society Office, by post or email, as quickly as possible or, alternatively, complete the online form at <https://forms.office.com/r/MmWi8QUk91>.

Please note that this does NOT affect your receipt of the Society Bulletin, which we will continue to send to you as usual (unless you tell us otherwise).

If you have any questions regarding this information please contact the Society Office.
