### **Quiet Reflection**

*I'll See You Again* by Sir Noël Coward from the  
1929 operetta *Bitter Sweet*.

Performed by Geoff Love and His Orchestra

*I'll see you again, whenever spring breaks through again  
Time may lie heavy between, but what has been, is past forgetting  
This sweet memory, throughout my life, Will come to me  
Though my world may go awry  
In my heart will ever lie  
Just the echo of a sigh  
Goodbye*

### **Lord's Prayer**

#### **Reading**

Psalm 23

The Lord is my shepherd; I shall not want.  
He maketh me to lie down in green pastures:  
he leadeth me beside the still waters.  
He restoreth my soul: he leadeth me in the paths  
of righteousness for his name's sake.  
Yea, though I walk through the valley of the shadow  
of death, I will fear no evil: for thou art with me;  
thy rod and thy staff they comfort me.  
Thou preparest a table before me in the  
presence of mine enemies: thou anointest  
my head with oil; my cup runneth over.  
Surely goodness and mercy shall follow me  
all the days of my life: and I will dwell in the  
house of the Lord for ever.
